MORTON CLAYMAN

1 MORTON CLAYMAN, after having been
2 first duly sworn, was examined and testified
3 as follows:

4 MR. BECK: We have agreed that
5 Mr. Clayman is going to sign the deposition
6 and that all objections are going to be made
7 during the course of the deposition. Is
8 there anything else we have to cover?

9 MS. ANDERSON: I just need to put
10 one thing on the record. We are attending
11 and cross-examining at this testimony
12 deposition under protest. Mr. Clayman
13 wasn't listed in the petitioner's initial
14 disclosures or pretrial disclosures as a
15 witness that would be testifying in this
16 matter. So we're going to go ahead and run
17 the deposition like we ordinarily would, and
18 then any issues about that we'll take up
19 with the Board afterwards, but I did just
20 need to get that on the record.

21 MR. BECK: My name is Stuart Beck
22 and I'm the attorney for Jules Jurgensen /
23 Rhapsody, Inc., the petitioner, in this
24 legal proceeding. This is a cancellation

MORTON CLAYMAN

1 proceeding under the jurisdiction of the
2 United States Patent and Trademark Office,
3 the Trademark Trial and Appeal Board. It's
4 Cancellation Number 92-048667, and the mark
5 and issue is Registration Number 3181224 for
6 Urban Jurgensen.

7 We're here today to take the
8 testimony deposition of Morton Clayman on
9 behalf of the petitioner, Jules Jurgensen /
10 Rhapsody. I should say that the respondent
11 is Peter Baumberger, B-A-U-M-B-E-R-G-E-R,
12 who is the owner of the registration for
13 Urban Jurgensen.

14 The first thing I want to put in
15 evidence is the notice of testimony
16 deposition which will be identified as
17 P-0027.

18 (At this time, a document was
19 marked for identification as Exhibit No.
20 P-0027.)

22 DIRECT EXAMINATION

23 - - -

24 BY MR. BECK:

2 in the notice of testimony deposition?

3 A. Yes, I'm Morton Clayman.

4 Q. By whom are you employed?

5 A. Jules Jurgensen / Rhapsody, Incorporated.

6 Q. Is it correct that you own the company?

7 A. Yes.

8 Q. And you're its president?

9 A. Yes.

10 Q. How long have you owned the company?

11 A. Since 1974.

12 Q. What business is the company engaged in?

13 A. Sale of watches and jewelry, different
14 jewelry items.

15 Q. How long have you, individually or
16 personally, been in the watch business?

17 A. Since 1957.

18 Q. And what is your background and experience
19 in that business?

20 A. Well, in the retail and wholesale sale and
21 design of watches.

22 Q. Now, over the years that you've been in the
23 business of selling watches, have you attended trade
24 shows?

MORTON CLAYMAN

1 A. Yes.

2 Q. Do you read literature relating to the watch
3 industry?

4 A. Yes.

5 Q. Do you call on your customers who sell
6 watches?

7 A. Yes.

8 Q. Do you call on potential customers to
9 persuade them to sell your watches?

10 A. Yes.

11 Q. Does that include jewelry stores?

12 A. Yes.

13 Q. And watch specialty stores?

14 A. Yes.

15 Q. Does it include department stores?

16 A. Yes.

17 Q. And do you discuss the watch industry with
18 your competitors?

19 A. Absolutely.

20 Q. Do you discuss the watch industry with your
21 customers and potential customers?

22 A. Yes.

23 Q. And do you discuss the watch industry with
24 your suppliers?

MORTON CLAYMAN

1 A. Absolutely.

2 Q. And in the course of your activities in the
3 watch industry, do you study brand names and which
4 brand names are associated with which vendors?

5 A. I do and try my best.

6 Q. In the course of your activities in the
7 watch industry, do you study ways to sell watches to
8 customers and potential customers?

9 A. Yes.

10 Q. And is it true that you do this on a regular
11 basis?

12 A. Yes.

13 Q. For how long have you done this?

14 A. Since I've been in the watch business.

15 Q. Would it be correct to say that you are
16 knowledgeable about the sales and marketing of
17 watches?

18 A. I hope so, yes.

19 MR. BECK: I move that Mr. Clayman
20 be qualified as an expert in the sales and
21 marketing of watches.

22 BY MR. BECK:

23 Q. How long have you, as Jules Jurgensen /
24 Rhapsody, been selling watches under the --

MORTON CLAYMAN

1 MS. ANDERSON: I'm sorry; I need to
2 interpose an objection. I'm going to object
3 to the qualification of Mr. Clayman as an
4 expert witness on issues related to the
5 sales of watches. Obviously, as a
6 layperson, he is qualified to testify as to
7 matters within his personal knowledge that
8 he's witnessed, but I don't know that we've
9 had a showing adequate of expert status in
10 this particular category.

11 Moreover, there hasn't been an
12 expert report entered. Mr. Clayman has not
13 been identified as an expert either in
14 initial disclosures or in pretrial expert
15 disclosures. Sorry for the long objection.
16 Please proceed, sir.

17 BY MR. BECK:

18 Q. How long have you, as Jules Jurgensen /
19 Rhapsody, been selling watches under the trademark
20 Jules Jurgensen?

21 A. Since we purchased this, I think it was July
22 25th, 1974.

23 Q. I'm going to show you a 40-page document
24 that has been previously marked as P-0011.

MORTON CLAYMAN

1 A. This is the purchase agreement when
2 Rhapsody, Incorporated, which I owned at the time,
3 acquired the business of Jules Jurgensen
4 Corporation.

5 MS. ANDERSON: Before you go on,
6 why don't I, just, now, for the record, so I
7 don't have to do it every time, I'm going to
8 enter an objection to P-0011 through P-0026
9 on the grounds that they were not timely
10 produced. They were produced on March 11th
11 after the close of discovery and even after
12 the opening of petitioner's testimony
13 period. So P-0011 through P-0026, just if I
14 can have that blanket objection entered so I
15 don't have to interrupt you every time.

16 BY MR. BECK:

17 Q. Would you turn to page 32, please. And
18 that's your signature on page 32?

19 A. Yes.

20 MR. BECK: And I'm going to offer
21 P-0011 in evidence and that's subject to
22 your objection.

23 BY MR. BECK:

24 Q. Now, I'm going to show you a 2-page document

MORTON CLAYMAN

1 that has been previously marked as P-0012, and it's
2 entitled Assignment of Trademark Registration, which
3 is dated July 25, 1974. Can you tell me what that
4 is?

5 A. That was the assignment of the trademark
6 registration from the Jules Jurgensen Corporation in
7 New York assigning it to Downe Communications.

8 Q. What was the relationship between Downe
9 Communications and Jules Jurgensen Corporation?

10 A. Well, they owned the corporation. Downe
11 Communications owned the corporation.

12 Q. They owned Jules Jurgensen?

13 A. Jules Jurgensen Corporation and Rhapsody,
14 Incorporated purchased the corporation from Downe.

15 MR. BECK: So I'm going to offer
16 P-0012 into evidence.

17 Now, at this point, I'm going to
18 put into evidence the trademark
19 registrations for Jules Jurgensen and Urban
20 Jurgensen and the application for Urban
21 Jurgensen and that's P-0013, P-0014, P-0015
22 and P-0016, P-0017 and P-0018.

23 MS. ANDERSON: If I may, I'm going
24 to note an objection on relevance grounds to

MORTON CLAYMAN

1 the expired registration which is identified
2 at P-0013. I also have the same relevance
3 objection for P-0014; it's an abandoned
4 application so it has no evidentiary value,
5 and also same relevance objection to P-0016,
6 the cancelled registration for Urban
7 Jurgensen, which, again, has no evidentiary
8 value, and obviously, on top of the
9 objections that I voiced earlier as to the
10 timeliness of the production.

11 MR. BECK: All of those
12 registrations and applications have
13 relevance with respect to the alleged first
14 date of use that they provide.

15 MS. ANDERSON: No, actually,
16 they're not relevant. Statements made in an
17 application or registration are not
18 sufficient to prove an actual first date of
19 use. So they have no relevance, but
20 obviously, we can talk about that in front
21 of the Board.

22 BY MR. BECK:

23 Q. I want you to look at P-0016, which is
24 cancelled U.S. trademark registration 2153240, for

MORTON CLAYMAN

1 Urban Jurgensen, and can you tell me what the
2 circumstances were surrounding the cancellation of
3 this registration?

4 MS. ANDERSON: I'm going to object
5 on relevance grounds to this testimony.

6 THE WITNESS: The cancellation?

7 BY MR. BECK:

8 Q. How did it get cancelled or why was it
9 cancelled?

10 A. We made a mistake. My attorney did not put
11 it in and I overlooked it at that time.

12 Q. Were you selling watches?

13 A. We've been selling watches since 1974, Jules
14 Jurgensen, and we've been selling Urban Jurgensen.

15 Q. Did you intend for this registration for
16 Urban Jurgensen to be cancelled?

17 A. Absolutely not.

18 Q. When did you learn that the registration had
19 been cancelled?

20 A. I don't recall on that. I don't have the
21 time that --

22 Q. What did you do after you found that it had
23 been cancelled?

24 A. Well, I immediately -- when we found out

MORTON CLAYMAN

1 later on -- we'd been using it continuously. We'd
2 been using Urban Jurgensen.

3 Q. So, at some point, you re-filed the
4 application?

5 A. I don't recall exactly when we did it, but
6 according to here, we did it January 29th, 2005.

7 Q. Let me show you this application identified
8 as P-0017. That's the current application.

9 A. Well, we re-filed it on December 26th, 2007.

10 Q. What's the status of that application
11 presently; if you know? Is it being blocked
12 presently?

13 MS. ANDERSON: Stuart, I was okay
14 with the leading during the foundational
15 questions, but let's try not to lead,
16 please.

17 THE WITNESS: Well, I found out
18 that someone else had registered Urban
19 Jurgensen, and I found out it was filed by
20 Peter Baumberger, and this is the same man
21 that we had a problem with before that we
22 filed again and we re-registered it -- in
23 2007, we registered it.

24 BY MR. BECK:

MORTON CLAYMAN

1 Q. Now, I want to show you a 10-page document
2 that's been pre-identified as P-0019 and take a few
3 minutes to look at it.

4 A. I remember this. We -- I think
5 Mr. Baumberger tried to -- this was a deposition, I
6 believe. Was this a deposition here?

7 Q. It's identified on its face.

8 A. We petitioned to cancel the registration of
9 a mark Urban that Mr. Baumberger, was his name I
10 believe, tried to register.

11 Q. Were you successful in that petition?

12 A. We were successful, and I think that
13 Baumberger knew that we owned the Jules Jurgensen
14 name, and he knew that we owned the Urban name and I
15 think it was cancelled.

16 MR. BECK: I want to offer P-0019
17 into evidence, and I'm going to offer into
18 evidence at this point a 2-page document
19 identified as P-0020, which I personally
20 downloaded from the Website of the patent
21 and trademark office, and on its face it's
22 identified as the docket sheets on the
23 cancellation number 92021824, which is the
24 cancellation referenced in P-0019.

MORTON CLAYMAN

1 BY MR. BECK:

2 Q. Now, I want you to take a look at P-0016,
3 which is the cancelled registration of Urban
4 Jurgensen, and P-0017, which is the pending
5 application for Urban Jurgensen, and can you explain
6 why P-0016 gives a first date of use of May 7th,
7 1991, while P-0017 gives a first date of use of
8 1974?

9 A. Well, it was really a mistake, because in
10 1974 when we purchased Jules Jurgensen, all our
11 emphasis was on Jules Jurgensen. We did start using
12 Urban, and then in 19 -- when we re-registered, we
13 had a complete line of Urban Jurgensen. It was a
14 mistake on my part.

15 Q. Which is the correct date?

16 A. 1974.

17 Q. Now, I want to show you a multi-page booklet
18 identified as P-0001, which on its face has the
19 legend, The Jules Jurgensen Story.

20 MS. ANDERSON: I'm going to object
21 to the admission of this document on the
22 grounds of hearsay to the extent that it's
23 offered for any content in the document and
24 to the extent that it's offered for truth,

MORTON CLAYMAN

1 and I'm also going to object as to
2 foundation insofar as the facts.

3 MR. BECK: We haven't offered it
4 for any purpose yet.

5 MS. ANDERSON: Fair enough.

6 BY MR. BECK:

7 Q. Tell me what this is, please.

8 A. This is the story of the Jurgensen complete
9 family, and when I purchased it, the company, I got
10 some of these booklets, and I redid them, and it
11 shows a complete history of the Jurgensen family.
12 And it's the Jules Jurgensen story. It's all part
13 of one family. And in fact, the number one page, it
14 has Urban Jurgensen.

15 Q. What do you do with this booklet?

16 A. Well, we give it to new accounts, and it's
17 good for PR and people realize that this company's
18 been around a long time.

19 Q. Now, just open up to the last page with text
20 on it. Who is that a picture of?

21 A. That's me. That's when I was bar mitzvahed.

22 MR. BECK: I'm going to offer
23 P-0001 into evidence.

24 MS. ANDERSON: I'm going to restate

MORTON CLAYMAN

1 my objection to the extent it's offered for
2 the content.

3 BY MR. BECK:

4 Q. Have you been selling Jules Jurgensen brand
5 watches since you purchased the company on July 25,
6 1974?

7 A. Yes, I think so. Yes.

8 Q. In what territory are Jules Jurgensen brand
9 watches sold?

10 A. Well, it's mostly in the United States, but
11 we are selling all over the world, too.

12 Q. Since you've had the company, how many Jules
13 Jurgensen brand watches do you think you sold?

14 A. I would say a minimum of a million.
15 Exactly, I don't know the exact amount.

16 Q. And other than your company, are there any
17 other sellers of Jules Jurgensen brand watches?

18 A. No.

19 Q. I'm going to show you a copy of a photograph
20 that's been previously identified as P-0006. Can
21 you tell me what's illustrated in P-0006?

22 A. That's Urban Jurgensen.

23 Q. Where was the picture taken?

24 A. That's in my office. It was taken 11/29/07.

MORTON CLAYMAN

1 Q. And that's you in the picture in front of
2 the bust?

3 A. Yeah. That's the bust, which was given to
4 me, was part of the agreement when we purchased
5 Jules Jurgensen. This has been in my office since
6 '74.

7 MR. BECK: I want to offer P-0006
8 into evidence.

9 BY MR. BECK:

10 Q. Now, I'm going to show you a booklet that's
11 been identified previously as P-0021, and can you
12 tell me what this is?

13 A. That's one of our catalogues. I have the
14 exact year. It was distributed in 1997. I looked
15 this up. 1997.

16 Q. Do you know about how many copies were
17 distributed?

18 A. About 50,000 when we made up the catalogues.

19 MR. BECK: I want to move P-0021
20 into evidence.

21 BY MR. BECK:

22 Q. Now, I'm going to show you a booklet that's
23 been previously identified as P-0022. Tell me what
24 that is.

MORTON CLAYMAN

1 A. That was made in 2005, and that's a picture
2 of Jules Jurgensen watches in a catalogue that we
3 made up that year.

4 Q. How many of these catalogues --

5 A. That would be approximately 50,000.

6 Q. If you look at the back cover of the
7 catalogue, I'm going to call your attention to the
8 phrase "The House of Jurgensen," do you see that?

9 A. Yes.

10 Q. On whose instruction was that phrase added
11 to the catalogue?

12 A. That was mine and --

13 Q. Why did you do that?

14 A. Well, because we had so many different
15 names; we had Urban Jurgensen, Jules Jurgensen, A
16 Propos by Jurgensen, and I think there was another
17 one there, too. That's why we made The House of
18 Jurgensen.

19 Q. I'm going to show you a booklet that's
20 identified as P-0023, and can you tell me what that
21 is, please?

22 A. Well, that's a catalogue that we made up for
23 2006, and approximately 50,000 were made that year,
24 too.

MORTON CLAYMAN

1 Q. Turn to the back cover, please, and do you
2 see the phrase, "The House of Jurgensen"?

3 A. Yes.

4 Q. Is that the same phrase that we spoke about?

5 A. That's exactly -- and I think people -- our
6 customers got to know that we have all these
7 different names, brands, Urban Jurgensen, Jules
8 Jurgensen, A Propos by Jurgensen.

9 Q. I'm going to show you another booklet
10 identified as P-0024. I'm going to give you P-0025
11 and P-0026. Tell us what they are.

12 A. These are all catalogues that we made each
13 year, 2007, 2008 and 2009, and all of these we made
14 in The House of Jurgensen on the back, and
15 approximately 50,000 of each were sent out each
16 year.

17 Q. Look on the back of each of them, and do you
18 see the phrase "The House of Jurgensen" on the back
19 of each of them?

20 A. Yes.

21 Q. And is that the phrase that you've testified
22 about previously?

23 A. Yeah, because we were using -- we were
24 selling the Urban, we were selling the Jules

MORTON CLAYMAN

1 Jurgensen, we were selling JJ by Jurgensen, and we
2 were also selling Helbros; that's another line that
3 we have.

4 Q. How long have you been selling Urban
5 Jurgensen watches?

6 A. Since 1974.

7 Q. Now, is Urban Jurgensen part of The House of
8 Jurgensen?

9 A. Absolutely.

10 Q. I'm going to show you a brochure which has
11 been previously identified as P-0008, and can you
12 tell me what this is?

13 A. This was a sales catalogue that we sent out
14 to all our retail customers, Urban Jurgensen, and it
15 was The House of Jurgensen, we called it, the
16 brochure, and this was sent out to about 25,000
17 customers. In fact, the picture of Urban is on the
18 inside cover.

19 Q. Do you know how many retail outlets there
20 are for Urban Jurgensen watches?

21 A. Well, the same amount as what we -- well,
22 the retail on the Urban would be about 1500.

23 Q. Where are they located geographically?

24 A. Mostly in the United States.

MORTON CLAYMAN

1 Q. Now, I'm going to show you a 1-page document
2 that has been previously identified as P-0003, and
3 can you tell me what that is?

4 A. Well, this is an invoice for an Urban that
5 was shipped to one of our customers.

6 Q. Is that a typical invoice?

7 A. Yes.

8 Q. Now, I'm going to show you a 21-page
9 document that's been previously identified at
10 P-0002. Can you tell me what that is?

11 A. Well, this is a list of all Urban Jurgensen
12 that were shipped out from '99 for a couple years
13 here.

14 Q. Whatever the last year is on there?

15 A. Yes. The total amount was for a couple
16 years, two or three years, invoices.

17 Q. Actually, on its face, it says from 11/08/99
18 through 01/30/07. Now, this document commences on
19 November the 8th, 1999. Where is the sales
20 information prior to that day?

21 A. Well, a lot of it's been destroyed. We
22 can't keep every invoice here.

23 Q. Now, I want to show you a photocopy of what
24 appears to be a brochure which has been previously

MORTON CLAYMAN

1 identified as P-0004. Can you tell me what that is?

2 A. This was a brochure that we sent out. We
3 had an old pocket watch here, and this was from 1881
4 with the original warranty, and on the side it
5 showed all our different brands, including Jules
6 Jurgensen, Urban Jurgensen, A Propos by JJ, and our
7 American brand, which is Helbros, since 1913.

8 Q. And then I want to show you a copy of a
9 photograph which has been previously identified as
10 P-0005, and can you tell me what that is?

11 A. This is an Urban Jurgensen and we made up a
12 special line of chronographs which did very well
13 under the name Urban Jurgensen.

14 Q. I forgot to ask you, on P-0004, the brochure
15 which had all of the brands on it, can you remember
16 how many copies of that document were distributed?

17 A. I would say about 25,000.

18 Q. Do you remember over what period of time?

19 A. I don't have the exact date.

20 Q. Ballpark?

21 A. One year. You mean the date that we shipped
22 it?

23 Q. About, in what year or years?

24 A. I couldn't give you the exact year. I would

MORTON CLAYMAN

1 say it's within the last ten years.

2 MR. BECK: I have no further
3 questions at this time. Everything is in
4 evidence subject to your objections; is that
5 correct?

6 MS. ANDERSON: Well, you've offered
7 them.

8 MR. BECK: I don't have to
9 specifically offer each item in, because if
10 I do, I move everything in subject to your
11 objections.

12 MS. ANDERSON: Okay. Let's take a
13 five-minute break.

15 CROSS-EXAMINATION

16 - - -

17 BY MS. ANDERSON:

18 Q. Good morning, Mr. Clayman, my name is Andrea
19 Anderson, and I represent Peter Baumberger, the
20 respondent and the owner of the registration in this
21 cancellation action, and I've got a few questions
22 for you this morning.

23 You've been in the watch business since
24 1957?

MORTON CLAYMAN

1 A. Yes.

2 Q. What did you do before you bought Jules
3 Jurgensen?

4 A. I was in the diamond business.

5 Q. You were in the diamond business?

6 A. Yes.

7 Q. As a retailer, wholesaler?

8 MR. BECK: Can I just interject
9 here? There was the Rhapsody Company; is
10 that the diamond business?

11 THE WITNESS: Jewelry, yes. We
12 were in the diamond business, jewelry
13 business and we sold to the retail jewelers.

14 BY MS. ANDERSON:

15 Q. Did you sell watches then, or no?

16 A. Yes, we did sell watches.

17 Q. Directly to retailers?

18 A. Yes.

19 Q. Tell me how that sale cycle goes, either
20 back then or now, when you're selling watches to
21 retailers. You mentioned earlier you call on your
22 customers; correct?

23 A. When I started out, I called on customers;
24 that's correct.

MORTON CLAYMAN

1 Q. How do you get a new account now?

2 A. Right now, I have salesmen.

3 Q. About how many?

4 A. I think all this is -- I'm objecting to
5 this.

6 MR. BECK: I object to that as
7 confidential business information.

8 THE WITNESS: I don't think it's
9 part of this --

10 MR. BECK: Is there more than one
11 salesman?

12 THE WITNESS: Yes, we have more
13 than one.

14 BY MS. ANDERSON:

15 Q. So you have salesmen, and what's their job?

16 A. I don't think I'm going to answer these
17 questions.

18 MR. BECK: You can answer the
19 question.

20 THE WITNESS: No, I'm not going to
21 answer these questions. I don't think it
22 has anything to do with the brand name here.

23 MR. BECK: We're going to object to
24 those questions, lack of relevance.

MORTON CLAYMAN

1 THE WITNESS: I mean, if you want
2 to just talk, I'll answer questions that
3 have something to do with the brand name.

4 BY MS. ANDERSON:

5 Q. Let me explain to you the relevance of the
6 question and Stuart can listen to the relevance of
7 the question and then you can talk amongst
8 yourselves and you can decide whether or not you're
9 going to answer the question.

10 The relevance of the question is, the way
11 that your products are sold, the way that any watch
12 is sold to a retail customer or a distributor, is a
13 factor that is very relevant to whether confusion is
14 likely between your marks and our client's marks.
15 That's just one of the factors that the Board
16 evaluates is the manner under which purchases are
17 completed and take place. So it is very relevant
18 information and we're entitled to --

19 A. I don't think 50 years ago it has anything
20 to do with Jules Jurgensen.

21 Q. The question was in the present tense,
22 Mr. Clayman.

23 A. But you asked me before, you asked me what I
24 did before.

MORTON CLAYMAN

1 Q. No. Mr. Clayman, with respect, I asked you
2 now, I asked you how do you go about making sales
3 now?

4 A. Right now, I have salesmen that go out and
5 they sell. We have a catalogue and we get orders.
6 We have the salesmen bring in orders and we go to
7 shows.

8 Q. Let's break that down a little bit. Your
9 salesmen meet directly with buyers or retailers; is
10 that correct?

11 A. Retailers, wholesalers, wherever we can
12 sell, we go.

13 Q. And your bigger accounts, about how many
14 times will a salesperson call on those bigger
15 accounts?

16 A. I really don't know. They can call ten
17 times.

18 Q. Is that right?

19 A. I mean, they can call twenty times and make
20 a sale or not make a sale. If your salesmen know
21 anything about selling, you go see these people, and
22 if you have to go back, you go back.

23 Q. So that personal contact is a part of it
24 that you found in the jewelry business?

MORTON CLAYMAN

1 A. I would say yes.

2 Q. An important part of it?

3 A. I'd say yes.

4 Q. You said you go to trade shows. Which trade
5 shows do you go to?

6 A. We go to the jewelry trade shows.

7 Q. And which are those?

8 A. You want me to give you a list of them?

9 Q. Just the ones you can remember off the top
10 of your head.

11 A. We go to Vegas. We go to Atlanta. They're
12 jewelry shows.

13 Q. And aside from --

14 A. Salesmen go. I don't go to every one. I
15 used to go.

16 Q. Who attends these shows on the buying side,
17 what types of buyers?

18 A. I don't understand your question. What type
19 of buyers? What do you mean "the buyers"? What are
20 the buyers?

21 Q. People who buy.

22 A. Well, people go. Did you ever go to a show?
23 People go to shows from the retailers or wholesalers
24 and they look at your line and they buy.

MORTON CLAYMAN

1 Q. And so is that a significant part of the
2 contact that your sales folks have with their
3 potential customers is at these shows?

4 A. I would say so.

5 Q. Roughly, do you know how many they go to in
6 a year?

7 A. Pardon me?

8 Q. How many shows do your salespeople attend a
9 year?

10 A. How many shows? I would say, five, six.

11 Q. What kind of written materials do your
12 salespeople share with customers or potential
13 customers?

14 A. I don't understand that question. What kind
15 of written material? What does that got to do with
16 sales? I don't understand your question.

17 Q. You truly don't need to worry about what my
18 questions have to do with anything. All --

19 A. Well, I do, because the question doesn't
20 make sense.

21 Q. Then you can ask me to clarify the question.

22 A. I'm telling you the question doesn't make
23 sense. If your sales -- ask me that question again.

24 Q. Do your salespeople provide any printed

MORTON CLAYMAN

1 materials about your products to your customers and
2 potential --

3 A. Well, if you sell, if you have printed
4 material, absolutely, you have -- whatever printed
5 material you have -- we have catalogues. We told
6 you about our catalogues.

7 Q. And the catalogues that we saw here today,
8 Mr. Clayman, are those the only kinds of printed
9 materials that your sales reps will share with
10 accounts?

11 A. I would say that's most of it, yes.

12 Q. Do you mail out those catalogues in addition
13 to distributing them through your sales folks?

14 A. Yeah, we do mail them. Every year we mail
15 catalogues out.

16 Q. Do you do any other kinds of mailers to
17 customers or is it mostly just these catalogues?

18 A. Maybe we have a special that we might mail
19 to a certain group.

20 Q. Describe the kind of accounts you sell to,
21 and I don't need to know names, but if you could
22 just give me a sense of the kind of accounts you
23 have?

24 A. We have retail jewelry stores. We have some

MORTON CLAYMAN

1 department stores. We have catalogue houses.

2 Q. Retail jewelry stores, catalogue houses,
3 department stores, any others?

4 A. I can't think of them right now.

5 Q. When we talk about department stores, what
6 sector of that market would you say? I mean, are we
7 talking about big boxes, like Target and Kmart, or
8 are we talking about high-end, like Neiman Marcus?

9 A. I don't want to reveal that.

10 Q. I'm not asking which --

11 A. Well, you are. We sell to department
12 stores, discount houses, department stores.

13 Q. What's a price point of your typical watch
14 at retail, or range of price point?

15 A. We have anywhere from \$100 to \$10,000.

16 Q. You have \$10,000 watches?

17 A. Yes.

18 Q. How many of those do you sell a year?

19 A. I don't think it's -- I don't think I will
20 reveal how many \$10,000 watches we sell.

21 Q. Well, I mean, it's relevant to the extent
22 that we're talking about the kinds of products that
23 are sold by each of the parties.

24 A. I don't know where that has anything to do

MORTON CLAYMAN

1 with --

2 Q. I appreciate that you don't and --

3 A. Well, I don't --

4 Q. -- in trademark law who's a fantastic expert

5 --

6 A. -- I won't reveal how many we sell --

7 Q. -- rely on his judgement as to whether a
8 question is relevant, and even if he thinks it's not
9 relevant, you still have to answer, Mr. Clayman.

10 This will take so much longer if we go on
11 this way. If you feel like an answer is a trade
12 secret kind of answer, we've got a protective order
13 in place that would shield discovery of that
14 information even from my client. I would not even
15 be allowed to share it with my client as an order
16 from the Board?

17 A. What do you want to know?

18 Q. I want to know about how many \$10,000
19 watches you sell a year?

20 A. I object to the question. I don't want to
21 reveal trade secrets.

22 MS. ANDERSON: Stuart, could you
23 please explain the protective order to your
24 client.

MORTON CLAYMAN

1 MR. BECK: It's between us. She's
2 not going to do anything with the
3 information. Peter sells very expensive
4 watches.

5 BY MS. ANDERSON:

6 Q. Mr. Clayman, I asked you earlier how many
7 \$10,000 watches your company sells a year --

8 A. I really don't know exactly. I don't want
9 to give you an answer that's wrong, but we do have
10 \$10,000 watches.

11 Q. So do you know how many you sell a year or
12 do you not know?

13 A. I don't know how many we sold this year.

14 MR. BECK: Andrea, I see on the
15 back of the 2009 catalogue, P-0026, in the
16 lower left-hand corner there's a watch that
17 has a retail price of \$9000.

18 MS. ANDERSON: All right.

19 MR. BECK: There's a \$12,000 watch
20 on the back of the 2008 catalogue, P-0025.

21 BY MS. ANDERSON:

22 Q. With this refreshing of your recollection in
23 front of you, can you tell me about how many of the
24 model 6633 watches that are on the back of P-0025

MORTON CLAYMAN

1 you sold in 2008?

2 A. No, I don't know right now. I couldn't tell
3 you. I don't want to mislead you, but we have sold
4 them or we wouldn't have put them in the catalogue.

5 Q. Is it safe to say that it's not a big part
6 of your business?

7 A. I would say \$10,000 watches are not a big
8 part of my business; correct.

9 Q. Now, we were talking about the retail
10 outlets through which you sold and you said you sold
11 at discount houses. Do you sell at some of the
12 higher end department stores?

13 A. Well, what do you mean by high-end
14 department stores?

15 Q. Well, I'm actually more interested in your
16 sense of the thing.

17 MR. BECK: Let me just talk to my
18 client for just a second if that's okay?

19 MS. ANDERSON: I think that would
20 be a great idea.

21 (At this time, there was a brief
22 break in the proceedings.)

23 BY MS. ANDERSON:

24 Q. The question was, you told me that you sold

MORTON CLAYMAN

1 at retail jewelry stores, catalogue houses,
2 department stores, discount houses, and I'm asking
3 you to tell me which kinds of department stores you
4 sell at. Would you sell at the lower price point
5 department stores or the higher price point
6 department stores?

7 A. Well, what would you call JC Penney, is that
8 a low price or middle price category?

9 Q. If you don't mind telling me the department
10 stores, we won't have to quibble over high price and
11 low price.

12 A. We do not sell the high price, the high
13 line. We don't sell Barney's.

14 Q. Let me ask you this: In the years that
15 you've been selling through these channels, have you
16 ever seen any Urban Jurgensen watches by Peter
17 Baumberger sold in any of the same stores that you
18 sell in?

19 A. Absolutely not.

20 Q. We talked earlier about the range of price
21 points you sell in and you mentioned you had quite a
22 range of price points. Where would you say the bulk
23 of your sales are, at about what price point range?

24 A. I would say the Jules Jurgensen, \$150 to

MORTON CLAYMAN

1 \$200 range.

2 Q. How about the Urban Jurgensen watches?

3 A. Urban Jurgensen would be a little higher,
4 \$300 to \$400.

5 Q. Any reason for the higher price points for
6 the Urban Jurgensen?

7 A. Well, because we purposely made it a higher
8 price line. We didn't want to keep it the same
9 price as Jules Jurgensen.

10 Q. Let's turn now from your sales to retailers
11 to your knowledge about the buying experience of the
12 average retail customer for watches. Based on your
13 time in the jewelry business, is it your opinion
14 that consumers place a lot of importance on their
15 watch purchases?

16 A. Place a lot of importance on their watch
17 purchases?

18 Q. Is that not a clear question? Should I try
19 again?

20 A. It is not a clear question.

21 MR. BECK: You mean do they spend a
22 lot of time making the decision?

23 THE WITNESS: I don't understand
24 the question.

MORTON CLAYMAN

1 BY MS. ANDERSON:

2 Q. Do you think that the purchase of a watch is
3 something that a consumer does casually without much
4 thought?

5 A. Some people do; some people don't. If it's
6 a lower price watch, they don't take too much time.
7 It's a spur of the moment. And some people that
8 spend a little more on it, yeah, they'll take a
9 little more time. I don't deal directly with the
10 retail customer. I sell either to the storekeeper
11 or the buyer.

12 Q. So over the years, you haven't gotten any
13 feedback from your customers about the kind of time
14 that each sale takes, like on the sales floor, for
15 example?

16 A. No, I don't, no.

17 Q. Most of the retailers you sell to, how do
18 they display your watches?

19 A. Well, some people will -- most of the people
20 will put them in the cases, boxed, and some of them
21 take it out of the cases. They have so much space
22 and that's it.

23 Q. So if I'm hearing right, it's in a case
24 usually that a customer can't access alone; correct?

MORTON CLAYMAN

1 A. The customer access alone? No, I don't
2 think -- the retail customer?

3 Q. Exactly.

4 A. I don't think they can.

5 Q. Usually, it's a salesperson helping the
6 customer out; correct?

7 A. Yes.

8 Q. Have you gotten any feedback from your
9 retail customers about some of their customers doing
10 price comparison shopping; do you find that a lot?

11 A. No, I don't.

12 Q. No, you haven't gotten that feedback?

13 A. No.

14 Q. Do you encourage your retailers to provide
15 any kind of training to their sales force on the
16 features of your watches?

17 A. Do I personally? No.

18 Q. Do your salespeople or anyone working for
19 you?

20 A. I would say they do, they try to do, yes.

21 Q. Could you describe that for me?

22 A. Right now, I don't do it, so I can't
23 describe it to you.

24 Q. Who directs these salespeople in their

MORTON CLAYMAN

1 activities?

2 A. The salesperson.

3 Q. Who directs your salespeople in carrying out
4 their duties with retailers?

5 A. I think each individual, they would go in
6 and try to help them, period.

7 Q. So does the company encourage its
8 salespeople to educate retailers and their sales
9 staff on the benefits of your watches?

10 A. Well, they do the best they can to sell.

11 Q. And that would include going over the
12 features and the qualities of your company's
13 watches?

14 A. Absolutely. That's how you sell.

15 Q. So that's an important part of basic sales
16 presentations and training that your salespeople do?

17 A. I would say so, yes, they do the best they
18 can.

19 Q. Let me ask you this: Have you ever heard of
20 a company called Stovard Jurgensen, S-T-O-V-A-R-D,
21 Jurgensen?

22 A. I think recently I saw an ad. I don't know
23 if it was that -- we have that and we're looking it
24 over. Jurgensen, I think it was Jurgensen.

MORTON CLAYMAN

1 Q. What does that company sell?

2 A. I don't know. I said I thought I saw
3 something that had Jurgensen on it.

4 Q. You've never seen or heard of Stovard
5 Jurgensen watches?

6 A. No, I didn't hear of it, no.

7 Q. Have you licensed any companies to use the
8 Jules Jurgensen name?

9 A. Absolutely not.

10 Q. Have you licensed the Urban Jurgensen name
11 to any companies?

12 A. No.

13 Q. Who was Urban Jurgensen?

14 MR. BECK: I'm going to object to
15 that question. I don't understand the
16 purpose of it, whether it's relevant.

17 MS. ANDERSON: Well, it's relevant
18 insofar as we're talking about a live
19 individual --

20 MR. BECK: We agree he's dead.

21 THE WITNESS: I would like to
22 answer that. Urban was the father.

23 BY MS. ANDERSON:

24 Q. The father of who?

MORTON CLAYMAN

1 A. The father of Jules. No. He wasn't --

2 Q. -- in your mind that Urban Jurgensen was a
3 living individual; correct?

4 A. No. Urban Jurgensen was the -- we have the
5 bust there and it's --

6 Q. And he was a watchmaker?

7 A. I think this questioning is ridiculous.

8 Q. Mr. Clayman --

9 A. I think it's ridiculous.

10 Q. You can think whatever you want to think
11 about it. You need to answer it. Was Urban
12 Jurgensen a watchmaker?

13 A. I would believe he was a watchmaker. He
14 started the watch.

15 Q. Now, you said that most of your sales of
16 Jules Jurgensen watches are in the United States;
17 correct?

18 A. Yes.

19 Q. Do you sell any abroad?

20 A. Yes, we do.

21 Q. Where do you sell them?

22 A. Well, we sell them in different countries,
23 and I don't know the exact countries. If you want,
24 we'll be very happy to tell you where we have sold

MORTON CLAYMAN

1 them outside the United States.

2 MR. BECK: Can you tell me what the
3 relevance of that question is to a domestic
4 proceeding such as we're in?

5 MS. ANDERSON: Can I tell you the
6 relevance? I'm just curious in the channels
7 of trade that this product moves in.

8 BY MS. ANDERSON:

9 Q. Do you sell Urban Jurgensen watches outside
10 the U.S.?

11 MR. BECK: I'm going to ask him not
12 to answer that question. You can ask him
13 what the channels of trade are in the United
14 States.

15 BY MS. ANDERSON:

16 Q. What are your annual sales of Jules
17 Jurgensen watches today in the U.S.?

18 A. That's personal.

19 MR. BECK: He's already testified
20 that millions of Jules Jurgensen watches
21 have been sold.

22 MS. ANDERSON: Well, he said about
23 a million. And what I want to know is the
24 dollar volume, which is an absolutely

MORTON CLAYMAN

1 discoverable fact. I mean, come on, Stuart,
2 you know that. If he wants to do it
3 pursuant to the protective order, that's
4 fine. All I'm asking are round numbers in
5 sales, very simple, annual sales. I'm happy
6 to put that answer at any level of the
7 protective order that you like.

8 MR. BECK: He doesn't want to tell.

9 MS. ANDERSON: That's fine, but he
10 has to.

11 MR. BECK: Well, I guess you're
12 going to have to file a motion to compel.

13 BY MS. ANDERSON:

14 Q. Is that your final answer, as they say,
15 you're not going to answer that question?

16 A. I will not answer that question at this
17 time.

18 Q. I'm going to ask you a series of questions
19 and if every question you're going to refuse to
20 answer on the grounds of whatever ground it is
21 you're refusing to answer, then you need to state
22 that for the record because I'm going to have to go
23 to the Board and ask the Board to compel you to
24 testify to these facts and we're all going to be

MORTON CLAYMAN

1 back here all over again. And you're going to be
2 paying Stuart to sit there and paying the court
3 reporter and I'm going to be getting up at 8 in the
4 morning again, and we're going to do this all over
5 again. That's your choice. If you want to do that,
6 that's fine.

7 I would advise you that perhaps you should
8 give this information subject to the protective
9 order such that I could not disclose it to my
10 client. Obviously, you can take the position you
11 want and feel like you have to take.

12 MR. BECK: We want to go off the
13 record.

14 (At this time, there was a brief
15 break in the proceedings.)

16 BY MS. ANDERSON:

17 Q. Mr. Clayman, can you tell me what your
18 annual sales of Jules Jurgensen watches were in
19 2008, approximately?

20 A. I'm going to give it to you this way: Over
21 the years, our sales have run anywhere from \$25
22 million to \$4 million.

23 Q. I missed that last number?

24 A. I said 4 million to 25 million.

MORTON CLAYMAN

1 Q. And that's in just Jules Jurgensen branded
2 products?

3 A. No, that includes other lines, mostly Jules
4 Jurgensen.

5 Q. So when you say "over the years," you mean
6 from 1974 until now?

7 A. Right.

8 Q. Where are we in that spectrum now, roughly?

9 A. I don't know the exact figures.

10 Q. I don't need to know the exact figures.
11 Above 10 million in sales now, Mr. Clayman?

12 A. Approximately 4 million.

13 Q. Your sales now are approximately 4 million?

14 A. Right.

15 Q. About what percentage of that 4 million in
16 current annual sales is in Urban Jurgensen watches?

17 A. I can't tell you right now. That I do not
18 know exactly.

19 Q. So your testimony earlier was that the
20 majority of your sales are in Jules Jurgensen
21 branded watches?

22 A. Yes.

23 Q. Is it safe to say that more than 70 percent
24 of your sales are in Jules Jurgensen watches?

MORTON CLAYMAN

1 A. I really can't give you the exact figure
2 right now.

3 Q. I'm not asking for exact --

4 A. But I don't want to give you the wrong
5 answers.

6 Q. Fair enough, and all I'm asking you is, if
7 you're comfortable saying that while you don't know,
8 you're pretty sure that it's more than 70 percent;
9 that's my question.

10 A. I still don't know.

11 Q. So somewhere between 50 and 70 percent,
12 maybe more, of your sales are in Jules Jurgensen
13 watches?

14 A. It may be.

15 Q. Has that 4 million in total sales stayed
16 constant for the last five years, gone up, gone
17 down?

18 A. The last year was a very poor year.

19 Q. I think you're probably in good company on
20 that. So the answer is 2008 sales were down from
21 2007?

22 A. Yes.

23 Q. So when did you begin selling Urban
24 Jurgensen branded watches?

MORTON CLAYMAN

1 A. In 1974. I don't know exactly what year,
2 but we didn't sell a lot of Urban Jurgensen.

3 Q. So you sold Urban Jurgensen watches in 1974?

4 A. 1974, during the year, we sold some, and
5 during the time I owned Jules Jurgensen, we
6 increased the sales.

7 Q. When you say you sold some in 1974, about
8 how many?

9 A. I couldn't tell you. That's 40 years ago.

10 Q. Can you tell me was it two or three watches
11 that you were bringing out on a demo basis or did
12 you order a shipment in?

13 A. I really don't know. You're asking me to
14 tell you something and I can't be a hundred percent
15 sure. It's 45 years ago.

16 Q. Was there ever a period that you hadn't sold
17 Urban Jurgensen watches since 1974?

18 A. What was that again?

19 Q. Has there ever been a period that you didn't
20 sell Urban Jurgensen watches since 1974?

21 A. You mean any year that I didn't sell them?

22 Q. Yes.

23 A. I think every year I sold some.

24 Q. Do you offer Urban Jurgensen watches for

MORTON CLAYMAN

1 sale now?

2 A. Yes.

3 Q. How do you market those?

4 MR. BECK: Do you want to be more
5 specific, please?

6 BY MS. ANDERSON:

7 Q. Through what media and/or printed
8 publications do you advertise the sale of your Urban
9 Jurgensen watches?

10 A. Through the catalogue.

11 Q. Now, correct me if I'm wrong, none of these
12 catalogues we've seen here this morning, except for
13 the one, P-0008, actually show Urban Jurgensen
14 watches; is that correct?

15 A. It may not show it, yes.

16 Q. Which catalogues were you referring to when
17 you say that --

18 A. Well, we have another catalogue. People
19 know that if we want to sell a better watch, we
20 don't sell a lot of them, and that's why they know
21 that Jules Jurgensen and Urban Jurgensen are made
22 from the same company. Same company makes them.

23 Q. So my question was, what publications or
24 advertisements do you have for Urban Jurgensen

MORTON CLAYMAN

1 watches?

2 A. We don't do much publication.

3 Q. So the only publications that you're aware
4 of for Urban Jurgensen watches that you produce is
5 the piece that I saw today, P-0008?

6 A. And what we have in stock and what we talk
7 about, and if we want to sell a little better watch,
8 we tell them, yes.

9 Q. Why don't you promote them in your
10 catalogue, in your annual catalogue? Why don't you
11 promote Urban Jurgensen watches in your annual
12 catalogue?

13 A. We feel we can do more business with Jules
14 Jurgensen. If we want to sell a high price piece,
15 we'll make it up for Urban Jurgensen.

16 Q. I don't think I understand your answer.

17 A. We don't sell as many Urban Jurgensen and
18 it's a higher price watch.

19 Q. Is there a reason that you don't offer them
20 in your catalogue?

21 A. Well, we just have so much money, everything
22 we have to reserve. We do sell Urban Jurgensen.
23 We've been selling them since 1974, and we're still
24 going to sell them and we have been selling them.

MORTON CLAYMAN

1 Q. How many do you have in your inventory right
2 now?

3 A. That I don't know. Not a lot. We don't
4 have to have a lot.

5 Q. Why is that?

6 A. Because we don't want to carry big
7 inventory.

8 Q. About how many do you order a year from your
9 manufacturer of Urban Jurgensen branded watches?

10 A. I couldn't give you an answer right now.

11 Q. Do you have a sense of how many Urban
12 Jurgensen branded watches you sold in 2008?

13 A. I don't have the exact amount but we did
14 sell them.

15 Q. More than a hundred, fewer than a hundred?

16 A. I really don't know. I can't give you an
17 exact answer, but we have sold them.

18 Q. And are Urban Jurgensen watches featured on
19 your Website?

20 A. I don't think we're featuring them on the
21 Website.

22 Q. Why not?

23 A. We can only carry so much inventory.

24 Q. Let's look at P-0008, the brochure that was

MORTON CLAYMAN

1 the Urban Jurgensen brochure, about what year was
2 this put out?

3 A. I'd have to look it up. It was a few years
4 back.

5 Q. How many print runs did you have of this
6 particular brochure?

7 A. I don't know exactly. I would say 15 to
8 25,000. I don't know exactly.

9 MR. BECK: He already testified
10 25,000.

11 MS. ANDERSON: I apologize.

12 BY MS. ANDERSON:

13 Q. Where did you circulate these brochures?

14 A. We mailed them out to the retail jewelers.

15 Q. And did you only do a single printing of 15
16 to 25,000 of these?

17 A. At this time, yes.

18 Q. And that's the only printing that you've
19 ever done of this brochure?

20 A. Of this brochure, yes.

21 Q. And you've done no other printings of
22 brochures or catalogues --

23 A. We have done other printing but not like
24 this.

MORTON CLAYMAN

1 Q. But in your other annual catalogues, at
2 least since -- certainly in the catalogues that you
3 produced to us, there are no Urban Jurgensen
4 watches?

5 A. We didn't put them in there, absolutely.

6 Q. Let's look at P-0011. That's the stock
7 purchase agreement between your company, Rhapsody,
8 Inc., in which you essentially purchased Jules
9 Jurgensen; correct?

10 A. Right.

11 Q. And that stock purchase agreement, and also
12 the attached assignment, P-0012, nothing in that
13 document conveys any interest in the Urban Jurgensen
14 mark; correct?

15 A. It said nothing about -- no, it didn't say
16 anything about Urban Jurgensen.

17 Q. You're right. And then the assignment of
18 trademark registration, P-0012, that only dealt with
19 the Jules Jurgensen trademark; correct?

20 A. Yes.

21 Q. Not the Urban Jurgensen. In your discussion
22 with Downe Communications, the seller, was there
23 ever any mention that Downe had any sort of rights
24 in the mark Urban Jurgensen?

MORTON CLAYMAN

1 A. That's 45 year ago. We did get the bust of
2 Urban Jurgensen -- it's 35 years ago; I'm sorry.
3 But we did go get the bust of Urban Jurgensen. Why
4 would they have the bust of Urban Jurgensen?

5 Q. Well, the thing about these deals is I get
6 to ask the questions and you have to answer. Just
7 to be clear, I'm not asking you to recall anything
8 you don't recall. I'm just asking you what you
9 recall. If you don't recall, you don't recall, and
10 that's fine.

11 So there was no conversation about any
12 rights in Urban Jurgensen that you can remember;
13 correct?

14 A. The only rights that I assumed when we
15 bought Jules was the rights to the Jurgensen name,
16 all the rights of Jurgensen.

17 Q. Can you point to me in either of those
18 documents, P-0011 or P-0012, where any right in the
19 Jurgensen name was --

20 MR. BECK: Well, I don't think he
21 has to do that.

22 MS. ANDERSON: He just said the
23 rights were conveyed, so I want to know what
24 the basis of that --

MORTON CLAYMAN

1 MR. BECK: If it's in the document,
2 it's in the document. You can ask about
3 conversations that took place at that time,
4 but as far as the documents are concerned,
5 the documents are there for anyone to read
6 and to interpret as they choose.

7 BY MS. ANDERSON:

8 Q. And I'm asking you, Mr. Clayman, if you are
9 aware of any place in these documents where the name
10 Jurgensen standing alone was conveyed to you?

11 A. I don't recall.

12 Q. When you completed this transaction in 1974,
13 were you aware of any use of the Urban Jurgensen
14 mark in Europe by Peter Baumberger or anybody else?

15 A. Peter Baumberger did not have it then when I
16 purchased it.

17 Q. Or anybody else?

18 A. No, in fact --

19 Q. You are not aware, at all, of any use of the
20 mark Urban Jurgensen on watches in 1974?

21 A. We have the trademark in Europe of
22 Jurgensen.

23 Q. I'm sorry?

24 A. We have the trademark in Europe of Jurgensen

MORTON CLAYMAN

1 without Jules Jurgensen.

2 Q. Who did?

3 A. We have it.

4 Q. But my question to you is, were you aware,
5 at the time you purchased these assets in the stock
6 purchase agreement and took the assignment in 1974,
7 were you aware of anyone else using the mark Urban
8 Jurgensen on watches?

9 A. Nobody else used -- no.

10 Q. Did the seller, Downe Communications,
11 indicate to you that it somehow had a clear title in
12 the Jules Jurgensen name all the way back to Jules
13 Jurgensen, himself?

14 A. I don't know that.

15 Q. Did you take any steps to verify that the
16 person that was reportedly assigning you the Jules
17 Jurgensen name actually had the right and the
18 permission to use that mark all the way back to
19 Jules Jurgensen?

20 A. Well, we had the registration in Switzerland
21 of Jules Jurgensen and Jurgensen we had.

22 Q. But my question is, at the time you
23 purchased these assets in the stock purchase
24 agreement and took the assignment of the trademark

MORTON CLAYMAN

1 registration of Jules Jurgensen, did you do anything
2 to verify that the seller, Downe Communications,
3 had, for lack of a better word, I'll call a clear
4 chain of title, in the Jules Jurgensen mark back to
5 the actual person, Jules Jurgensen?

6 MR. FEDERMAN: Let's just go off
7 the record for a minute.

8 (At this time, there was a brief
9 discussion held off the record.)

10 BY MS. ANDERSON:

11 Q. Mr. Clayman, in 1974, when you purchased the
12 assets from Downe Communications, which included
13 this assignment of the trademark registration, did
14 you do anything to satisfy yourself that Downe
15 Communications had what we'll call a clear title to
16 the Jules Jurgensen mark going back to the actual
17 individual, Jules Jurgensen?

18 A. I had legal counsel. He did whatever was
19 necessary. We dealt with a very ethical law firm in
20 New York, and I assumed everything was correct,
21 period.

22 Q. But you have no personal knowledge of steps
23 that were taken to verify --

24 A. No, I didn't have any personal steps. I

MORTON CLAYMAN

1 agreed with everything my lawyer told me.

2 Q. But you had no personal knowledge of what
3 your lawyer did?

4 A. No.

5 MS. ANDERSON: And I just want to
6 state for the record we have a Mr. Ken
7 Federman, F-E-D-E-R-M-A-N, counsel for the
8 corporation, who has been with us for the
9 entire deposition?

10 MR. FEDERMAN: No, I came in
11 approximately a half hour after it started.

12 MS. ANDERSON: And just when we
13 went off the record now was the first
14 indicator that I had that Mr. Federman was
15 in the room or joining our deposition, but I
16 just wanted to make clear that he was here.

17 MR. FEDERMAN: I'm here.

18 BY MS. ANDERSON:

19 Q. Now, I'm going to apologize if I've asked
20 you this before; I don't have it checked off, so I'm
21 going to ask, did Downe Communications, at the time
22 that you were negotiating this stock purchase
23 agreement and assignment of trademark, represent
24 that it had any rights in the mark Urban Jurgensen?

MORTON CLAYMAN

1 A. Not that I knew, no. I only assumed that
2 anything had to do with the Jules Jurgensen,
3 Jurgensen name because they were -- wait just a
4 minute. In the agreement it has that they send me
5 the frame of the picture of Jules Jurgensen and the
6 bust of Urban Jurgensen, so I assume that Urban
7 Jurgensen was part of the agreement.

8 Q. From the bust, you inferred there were
9 trademark rights?

10 A. Well, that's what I -- it's in the
11 agreement, yes.

12 Q. Are you aware of -- now, I asked you before
13 if Downe represented that they had any rights in
14 Urban Jurgensen for watches. I'm now going to ask
15 you, are you aware of Downe using the mark Urban
16 Jurgensen on watches?

17 A. I'm not aware of that, no. It's a long
18 time.

19 Q. Mr. Clayman, do you remember attending a
20 similar testimony deposition in a case involving the
21 mark Urban a few years ago?

22 A. Yes.

23 Q. And you testified in that case; correct?

24 A. Yes.

MORTON CLAYMAN

1 Q. And you were under oath just like you are
2 now here; right?

3 A. Yes.

4 Q. Do you remember being asked when you began
5 selling Urban Jurgensen branded watches?

6 A. Do I remember? No, I really don't.

7 Q. And you don't remember testifying that your
8 first sale of Urban Jurgensen branded watches was in
9 1991?

10 A. No. I might have -- I really don't
11 remember, no.

12 Q. You don't remember?

13 A. No.

14 Q. But it's your testimony here today, under
15 oath, that you first sold Urban Jurgensen branded
16 watches in 1974?

17 A. I don't know how many, but we did sell some
18 Urban Jurgensen over the years starting in 1974.

19 Q. And did you sell them continuously every
20 year since 1974 until now?

21 A. We didn't sell a lot of them during that
22 time but we did sell them.

23 Q. Mr. Clayman, could you look at P-0002;
24 that's a spreadsheet of sale. Could we just go

MORTON CLAYMAN

1 through what each of those columns means, what each
2 of those headings at the top, not the "Quick and
3 Dirty" -- well, why don't you tell me what "Quick
4 and Dirty Who Bought It" --

5 A. You want me to have somebody else testify.
6 I don't take care of the books.

7 Q. Well --

8 A. There's different accounts that bought them,
9 and it's -- if you want to read it, you can read it.
10 If you want me to go through every one, I don't know
11 every account.

12 Q. Let's just talk about the column headings.
13 On the far left, I could probably figure that out,
14 Invoice, under that it's probably the invoice
15 number; correct?

16 A. Right.

17 Q. And the date, that would be the date that
18 the invoice was printed; correct? Is that right;
19 the date the invoice was printed?

20 A. Well, I think it's right.

21 Q. That's what that column is intended to
22 signify?

23 A. I believe it's right.

24 Q. So then if we look at the first set of

MORTON CLAYMAN

1 numbers under the word date, 11/08/99, that would
2 mean November 8th, 1999; is that correct?

3 A. I would say it's correct.

4 Q. And then Customer Number, you must assign
5 some kind of unique numbers to every customer;
6 correct?

7 A. Correct.

8 Q. And then Customer Name is next; that's
9 self-explanatory. I see that, at least in my
10 version, it's redacted. Tell me what that SM in the
11 next column is for?

12 A. I don't know myself.

13 Q. Well, as I look under it, I see the first
14 one says JJ. What would that stand for?

15 A. I don't know.

16 Q. JJ, RS, CF?

17 A. I don't know.

18 Q. What does the gold mean?

19 A. The gold was the gold of the day.

20 Q. What does that mean?

21 A. It means what the gold price was at that
22 date.

23 Q. Because your watches are -- these are all
24 watches made of gold?

MORTON CLAYMAN

1 A. No. At that time, the gold would be plating
2 and everything else. We kept records of what the
3 price of gold was.

4 Q. So that would be that day's price for an
5 ounce or what?

6 A. It's what it is an ounce, yeah.

7 Q. And next is Style Number?

8 A. Yes.

9 Q. Do those numbers correspond to the numbers
10 that I've seen on your catalogues? For example, I
11 just picked one up randomly, P-0022, and I look at
12 the back of it and I see some numbers above the
13 prices, 6422, 6633; is that what this number here
14 under style number corresponds to?

15 A. That's what it looks like; doesn't it? I
16 mean, you see it.

17 Q. Mr. Clayman, I'm not the expert and
18 certainly not the president of the company that
19 would know.

20 A. I'm sorry, but I'm not the bookkeeper.

21 Q. Well, I'm asking you, in your knowledge,
22 does the style number here on this spreadsheet
23 correspond to the numbers on your catalogues for
24 each watch so that I could cross reference here

MORTON CLAYMAN

1 between this spreadsheet and one of your catalogues?

2 A. Well, if it's the same number, then that
3 would be yes.

4 Q. Was that answer yes?

5 A. Yes.

6 Q. And on the end, there's a number followed by
7 UJ, does that UJ have any significance?

8 A. That's Urban Jurgensen.

9 Q. So that's how you can be sure that every
10 sale or every invoice listed on here was a sale of
11 Urban Jurgensen watch because it has that suffix of
12 UJ under the style number?

13 A. Yes.

14 Q. How far back do you keep sales records, and
15 by records I just mean --

16 A. A couple years.

17 Q. How about reports like this; how far back
18 can you run those?

19 A. I don't know. I really don't know.

20 Q. Let me ask you this about the spreadsheet,
21 if we move from the beginning to the end, and the
22 beginning being the oldest dates and the end being
23 the newest dates, I seem to sense that some of the
24 prices are dropping; is that true? Are you

MORTON CLAYMAN

1 discounting the Urban Jurgensen line more than you
2 did back in '99?

3 A. I don't recall.

4 MR. BECK: What do you mean
5 "discounting"?

6 BY MS. ANDERSON:

7 Q. Well, are they sold at a lower price point
8 now than they were back then?

9 A. We might have sold some stuff at a lower
10 price.

11 MR. BECK: I'm not sure that I
12 agree with you. Just looking at page 20 out
13 of 21 --

14 MS. ANDERSON: Stuart, this is not
15 your testimony. That is absolutely not
16 appropriate. I'm asking this witness a
17 question, and it is completely inappropriate
18 for you to offer fact.

19 THE WITNESS: I don't know whether
20 we reduced the price or not. We may have
21 reduced a few watches, gave them a different
22 price. I think it's immaterial here. And
23 some of the watches are even at a much
24 higher price, \$400.

MORTON CLAYMAN

1 BY MS. ANDERSON:

2 Q. About how many shipments of Urban Jurgensen
3 watches do you get in a year?

4 A. I really couldn't tell you. I don't know.
5 How many shipments of watches do we get?

6 Q. Yes.

7 A. From who?

8 Q. Well, I should back up. Do you manufacture
9 Urban Jurgensen watches?

10 A. No, we don't manufacturer them here.

11 Q. How do you receive Urban Jurgensen watches?

12 A. When we order them, we have them made up.

13 Q. Do you order them from a manufacturer?

14 A. Well, we would get different parts and
15 sometimes we would assemble them. We had a factory
16 in the Islands. We buy the dials, the hands and put
17 them together.

18 Q. So you don't get them ready-made?

19 A. Some we do, yes.

20 Q. What kind of inventory have you been
21 carrying in those watches for the last few years?

22 A. Very little inventory, as little as we
23 possibly can.

24 Q. Can we look at P-0004? Mr. Clayman, I

MORTON CLAYMAN

1 believe you testified earlier that what we're
2 looking at, P-0004, is a brochure; correct?

3 A. Yes.

4 Q. I'm a little confused by that because, as I
5 look at it, it looks more like a printout of an
6 Internet Website. For example, when I look down at
7 the bottom, I see an Internet Website domain name,
8 such as is usually printed when you print a screen
9 shot of a Website. Is that on your copy?

10 A. This -- I don't know exactly --

11 THE WITNESS: Do you have the
12 original of this?

13 MR. BECK: No. This is what you
14 gave me.

15 BY MS. ANDERSON:

16 Q. When I look at the left margin, Mr. Clayman,
17 I see a drop down bar that says, Home, About Us,
18 Products, Find a Retailer, Contact Us, Log In.

19 A. I can't give you -- on this one, it's very
20 hard to -- I don't have the original. And I can't
21 give you a good answer on this.

22 Q. So you don't know whether this was a
23 brochure or a printout off your Website?

24 A. I don't know, but I know we kept all these

MORTON CLAYMAN

1 -- these are different lines. This was an old --
2 this was an old Jules Jurgensen pocket watch from
3 1881. I really don't know. I can't give you a good
4 answer on that.

5 Q. I'm going to back up and ask a couple of
6 questions about P-0008, the little Urban Jurgensen
7 brochure. Do you still have any of those in
8 inventory?

9 A. Yeah, we may have some. They didn't do
10 great. I'll be very honest.

11 Q. Do you regularly distribute them today?

12 A. Do we regularly -- no, we don't regularly
13 distribute all these. We don't have them all. We
14 have some. We probably are closing out some of
15 them.

16 Q. Why is that?

17 A. Well, because they're not selling that
18 great.

19 Q. Just because they're a higher price point or
20 is there another reason?

21 A. Well, it may be a higher price point. I
22 don't know what the reason is.

23 Q. Do you recall when the last time any of
24 these were sent out?

MORTON CLAYMAN

1 A. The brochures?

2 Q. Yes.

3 A. We will send them out -- I really don't
4 know. Maybe within the last year. I don't know how
5 many. We didn't send out quantity, but we would
6 send out a couple dozen. When we send the other
7 brochures, we'll put these in, too. But we're
8 really very -- we don't have too many left.

9 Q. You said it was several years ago that you
10 put together this Urban Jurgensen brochure, like in
11 the 1990s, do you think?

12 A. I'll tell you exactly when it was. This was
13 distributed in 2000, so it's about nine years ago,
14 and we've used this over the years.

15 Q. I'm sorry; you said it was distributed in
16 2000?

17 A. Yeah, in 2000, and we've used it over the
18 years.

19 Q. What did you refer to to come to that
20 conclusion that it was distributed in 2000?

21 A. What do you mean? I don't understand your
22 questioning.

23 Q. Did you just pull that out of your head or
24 did you have that written down somewhere?

MORTON CLAYMAN

1 A. I checked it out before we came to the
2 meeting.

3 Q. Are you referring to notes to do that?

4 A. Yes. I just referred to the notes. I
5 looked it up.

6 MS. ANDERSON: Stuart, I'm going to
7 want a copy of all the notes that
8 Mr. Clayman is using during this deposition.

9 MR. BECK: Okay.

10 BY MS. ANDERSON:

11 Q. So when you put this brochure out, were you
12 aware of any other uses of Urban Jurgensen on
13 watches?

14 A. What was that question again?

15 Q. When you put this brochure out in the year
16 2000, were you aware that anyone else was selling
17 Urban Jurgensen branded watches?

18 A. Absolutely not.

19 Q. In 2000, you weren't aware of any other
20 Urban Jurgensen watches; is that your testimony?

21 A. Well, I don't recall whether -- I know that
22 Mr. Baumberger had the registration for Urban
23 Jurgensen in Switzerland, but he didn't have
24 anything in the United States. Now, I don't recall.

MORTON CLAYMAN

1 I think at that time he had it. I don't know how
2 long he had it.

3 Q. Did you know that he was selling watches?

4 A. Sure I knew it. I saw it in Switzerland
5 years ago.

6 Q. When was that?

7 A. I don't know. I really don't recall. In
8 fact, I was amazed. That's why when he tried to get
9 Urban here, we challenged him.

10 Q. There's nothing you can pin the date of your
11 trip to Switzerland to?

12 A. No. I don't recall.

13 Q. Do you travel to Switzerland often?

14 A. Well, in the last couple years, I haven't
15 traveled there, but I used to go there once or twice
16 a year.

17 Q. And on one of those trips you learned of the
18 Urban Jurgensen mark?

19 A. Yes.

20 Q. And was that before or after you put out
21 this catalogue using Urban Jurgensen?

22 A. I don't recall. I really don't recall. I
23 don't recall when I was there and saw him either.

24 Q. You met Mr. Baumberger?

MORTON CLAYMAN

1 A. Did I meet him? No, I didn't meet him,
2 personally.

3 Q. But you saw the watches?

4 A. No, I didn't see watches either.

5 Q. Well, how did you learn of the Urban
6 Jurgensen mark?

7 A. I saw his booth there. He had a booth
8 there. I don't know how many years ago.

9 Q. Some kind of trade show?

10 A. Yeah.

11 Q. Just to be sure I'm clear, you learned of
12 Urban Jurgensen watches being sold and that's --
13 strike that.

14 You learned that Mr. Baumberger was selling
15 Urban Jurgensen watches when you visited a trade
16 show in Switzerland; correct?

17 A. Yes.

18 Q. And do you recall approximately the time of
19 that trade show, the year?

20 A. No, I absolutely do not. I'm oblivious to
21 it. I don't recall. I haven't been in Switzerland
22 in, I think, two, three years.

23 Q. Let's talk about the time you filed the
24 action to cancel Mr. Baumberger's registration for

MORTON CLAYMAN

1 Urban. Were you aware at that time that he was
2 selling Urban Jurgensen watches?

3 A. Yes.

4 Q. And what action did you take, aside from
5 this cancellation action, to get him to stop selling
6 Urban Jurgensen watches?

7 A. What was that question again?

8 Q. Did you do anything when you learned he was
9 selling Urban Jurgensen watches, send him a demand
10 letter, file a lawsuit?

11 A. Well, because we felt we had the Urban
12 Jurgensen trademark here, and we were -- I mean,
13 it's too close to Jules Jurgensen.

14 Q. Did you or your lawyer send Peter Baumberger
15 or his lawyers a letter telling him he should stop
16 using the Urban Jurgensen mark?

17 A. I don't recall. I know we challenged him.

18 Q. Did you bring any other legal action to stop
19 Mr. Baumberger from using the Urban Jurgensen mark?

20 A. I don't recall. I think we did because we
21 did get the Urban Jurgensen trademark.

22 Q. Well, you filed a petition to cancel his
23 registration for Urban. But my question is --

24 A. But we did get -- go ahead.

MORTON CLAYMAN

1 Q. My question is related to Urban Jurgensen.
2 Did you take any legal action to stop him from using
3 the Urban Jurgensen mark?

4 A. Yeah, because he -- yes. He tried to get
5 Urban, and we knew exactly what he tried to do, and
6 we stopped him, and that's when we -- because it was
7 too close to Urban Jurgensen.

8 Q. And that was with the Trademark Trial and
9 Appeal Board?

10 A. Right.

11 Q. Did you take any other action, like in
12 federal court?

13 A. No, I don't recall.

14 Q. Were you selling Urban Jurgensen watches at
15 the time that you filed an action in the trademark
16 office against Mr. Baumberger's registration for
17 Urban?

18 A. Yes.

19 Q. And just let me ask you, why didn't you take
20 any action to keep Mr. Baumberger from using Urban
21 Jurgensen? I mean, why didn't you sue him back then
22 if you knew he was selling Urban Jurgensen watches
23 in 1991 or '92, why didn't you bring a lawsuit back
24 then?

MORTON CLAYMAN

1 A. Why didn't I bring it, because I didn't
2 understand why Switzerland even gave -- let him use
3 Urban Jurgensen when we had Jules Jurgensen, and I
4 couldn't understand it, but it was done. I had to
5 prevent him from getting it here.

6 Q. But you're aware that all during this time
7 he's been selling Urban Jurgensen watches in the
8 U.S.; correct?

9 A. Well, I don't know if he's been selling them
10 after -- he knew that we had the Jules Jurgensen and
11 we had the Urban. If he was selling them in the
12 United States at that time, he wasn't doing the
13 right thing.

14 Q. But he certainly hadn't agreed to stop
15 selling them in the U.S.; had he?

16 A. He was doing it illegal as far as I'm
17 concerned.

18 Q. And during that time, you didn't take any
19 action to stop him, correct, in federal court?

20 A. We didn't know he was selling them here
21 after we got the registration again.

22 Q. Have you ever seen Urban Jurgensen watches
23 sold here in the U.S.?

24 A. Well, I don't know. I assume he sells four

MORTON CLAYMAN

1 or five a year, maybe more. I doubt if he sells
2 more than that, but we'll find that out, too.

3 Q. But my question is, have you ever seen those
4 watches displayed or promoted in the U.S.?

5 A. No, I have never seen it. I have never seen
6 it promoted. I have never seen anybody wear one.

7 Q. Do you know if you've lost any sales to Mr.
8 Baumberger?

9 A. No, I don't think I've lost sales to him.

10 Q. Are you aware of any customer that has ever
11 purchased one of your Jules Jurgensen watches in the
12 mistaken belief that it was Peter Baumberger's Urban
13 Jurgensen watch?

14 A. No.

15 Q. Are you aware of any customer purchasing
16 Peter Baumberger's Urban Jurgensen watch in the
17 mistaken belief that it was your watch?

18 A. No.

19 Q. Did you ever receive any mail addressed to
20 Mr. Baumberger?

21 A. No, I haven't.

22 Q. Have you ever received any product returns
23 of Mr. Baumberger's Urban Jurgensen watches or did
24 anybody ever send them in for service or anything?

MORTON CLAYMAN

1 A. No.

2 Q. Have you ever received any kind of other
3 communications intended for Mr. Baumberger, like an
4 e-mail or a letter?

5 A. No.

6 Q. Or a telephone call?

7 A. No.

8 Q. Are you aware of any consumer being confused
9 between your Jules Jurgensen watches and Mr.
10 Baumberger's Urban Jurgensen watches?

11 A. No, but it could be confused in the future.

12 Q. Have you ever had any conversations or
13 dealings with Mr. Baumberger, at all?

14 A. Not that I recall, no.

15 MS. ANDERSON: I'm just going to
16 take five minutes.

17 (At this time, there was a brief
18 break in the proceedings.)

19 BY MS. ANDERSON:

20 Q. I don't know if I've asked you this, and
21 forgive me if I have, Mr. Clayman, what regions of
22 the country do you sell Jules Jurgensen watches?

23 A. All over the country.

24 Q. Same question for Urban Jurgensen watches,

MORTON CLAYMAN

1 what regions of the country do you sell those?

2 A. All over.

3 Q. Have you always sold Urban Jurgensen watches
4 nationwide since 1974?

5 A. Yes.

6 Q. I asked you earlier if you were aware of
7 Stovard Jurgensen watches, and you answered no.

8 A. Well, I --

9 Q. Did you want to change that answer?

10 A. No, go ahead. You ask the question; I'm
11 sorry.

12 Q. If I misstated your testimony, do tell me.
13 My question now is, are you aware of having lost any
14 sales to Stovard Jurgensen watches?

15 A. No.

16 Q. Are you aware of any consumers being
17 confused between Stovard Jurgensen watches and --

18 A. I'm not aware of them being confused, but I
19 would think people can get confused.

20 Q. Have you always offered Urban Jurgensen
21 watches at a higher price point than Jules Jurgensen
22 watches?

23 A. Well, any time I sold them would usually be
24 at a higher -- I think better quality and higher

MORTON CLAYMAN

1 price.

2 Q. Let me have you take a look at P-0015. I'm
3 looking up top where it says goods and services, and
4 you look over to the right and there's some numbers
5 and then it says wrist watches, and then right after
6 that it says, First Use 1835. In other words, this
7 application claims that the mark was first used by
8 Rhapsody in 1835. That's not correct; is it?

9 A. No, that's incorrect.

10 Q. What do you think this 1835 date --

11 A. I would think it was from Switzerland that
12 they sold watches in here in 1835, because I have
13 pocket watches 1861 and earlier, so it's -- whatever
14 it was, it's a mistake.

15 Q. But you're not aware of any Jules Jurgensen
16 watches being sold in the U.S. in 1835; are you?

17 A. 1861, I am because I have them. They were
18 sold here.

19 Q. In the U.S.?

20 A. Yes.

21 Q. What is the reasoning behind offering the
22 Urban Jurgensen watches at a higher price point --

23 MR. BECK: I'm going to object to
24 that question. That goes to his sales

MORTON CLAYMAN

1 strategy and I don't think that that's
2 appropriate.

3 MS. ANDERSON: I think it is
4 appropriate because it goes to the goods and
5 services with which the mark is offered, the
6 channel of trade, the types of purchasers,
7 and it may go to unclean hands.

8 MR. BECK: But you're not asking
9 questions in any of those areas. You're
10 asking him how he prices the products that
11 his company sells.

12 MS. ANDERSON: Let me ask the
13 question and don't paraphrase it to make
14 your point.

15 BY MS. ANDERSON:

16 Q. The question is, why did you decide to use
17 the Urban Jurgensen name with a higher price point
18 line of watches?

19 MR. BECK: I'm going to object to
20 that question and instruct him not to
21 answer. Peter can figure out his own
22 marketing and pricing strategy.

23 BY MS. ANDERSON:

24 Q. Are you generally aware of the price point

MORTON CLAYMAN

1 of Urban Jurgensen watches produced by my client,
2 Peter Baumberger?

3 A. Not really, no. I know it's very high
4 priced.

5 Q. And the fact that he was producing a higher
6 price point watch had nothing to do with your
7 decision to offer Urban Jurgensen watches at a
8 higher price point?

9 A. No, absolutely not.

10 Q. Just complete coincidence?

11 A. It's a business decision.

12 Q. Tell me again when you decided to offer that
13 higher price to the Urban Jurgensen line?

14 A. As long as we made Urban Jurgensen, we would
15 always put it out at a higher price. Why should I
16 have a duplicate?

17 Q. I just didn't know if it had always been
18 your higher price line since you started using the
19 mark?

20 A. Well, I would think it would be a good
21 business decision.

22 MS. ANDERSON: I think I have asked
23 all the questions that I'm going to ask.

24 MR. BECK: I have no redirect.

STOCK PURCHASE AGREEMENT

STOCK PURCHASE AGREEMENT made this 25th day of July, 1974, by and among DOWNE COMMUNICATIONS, INC., a Delaware corporation ("Downe"), JULES JURGENSEN CORP., a New York corporation ("Jurgensen"), and RHAPSODY, INC., a Pennsylvania corporation ("Rhapsody").

WHEREAS, Downe is the owner of 200 shares (no par value) of the common stock of Jurgensen, representing all of the issued and outstanding capital stock of Jurgensen (the "Stock"); and

WHEREAS, Downe desires to sell and transfer the Stock to Rhapsody and Rhapsody desires to purchase and acquire the Stock from Downe, on the terms and conditions herein set forth.

NOW, THEREFORE, the parties hereto agree as follows:

1/46

SECTION 1

TRANSFER OF THE STOCK

On the terms and subject to the conditions set forth in this Agreement, Downe hereby transfers to

Rhapsody the certificate representing the Stock, which certificate has been duly assigned to Rhapsody, together with stock transfer stamps evidencing the payment of all required stock transfer taxes.

SECTION 2
PURCHASE PRICE

2.1 Amount. The purchase price for the Stock (the "Purchase Price") is the sum of Three Hundred Seventy-Five Thousand (\$375,000) Dollars.

2.2 Payment. (a) Seventy-Five Thousand (\$75,000) Dollars of the Purchase Price is being paid herewith by a certified check of Rhapsody or by a bank check, in either case drawn on New York Clearing House funds to the order of Downe;

(b) The balance of the Purchase Price, Three Hundred Thousand (\$300,000) Dollars, is represented by two promissory notes (the "Notes"), each in the principal amount of \$150,000 which are being delivered to Downe herewith, which are payable to the order of Downe and have been signed by Rhapsody and Jurgensen as co-obligors. The Notes are in negotiable

2/40

form and are non-interest bearing. The principal amount of the Notes shall be due and payable on January 25, 1975 and February 25, 1975, respectively. The Notes shall be secured as set forth in Section 3 hereof.

SECTION 3

SECURITY FOR OBLIGATIONS OF RHAPSODY AND JURGENSEN

3.1 Security Interests. As collateral security for the prompt and unconditional payment of the Notes by Rhapsody and Jurgensen, and the performance by Rhapsody and Jurgensen of each of their other obligations and duties hereunder (including, but not limited to costs and reasonable attorneys' fees incurred by Downe in the collection, whether by suit or other means, of the Notes or in the enforcement of any other obligation of duty of Rhapsody or Jurgensen hereunder), the following security interests are hereby granted to Downe:

- (a) Rhapsody hereby grants to Downe
a first security interest in all of the

3/40

issued and outstanding capital stock of Jurgensen, in furtherance of which Rhapsody herewith delivers to and pledges with Downe a common stock certificate of Jurgensen issued in the name of Rhapsody representing all of the issued and outstanding capital stock of Jurgensen, which certificate is accompanied by an assignment endorsed in blank which is separate therefrom, such certificate to be redelivered to Rhapsody by Downe upon the satisfaction of all of the obligations of Rhapsody and Jurgensen hereunder;

(b) Jurgensen hereby grants to Downe a first security interest in and to the name Jules Jurgensen [®] and all of its right and title thereto and interest therein and goodwill in connection therewith and herewith delivers to Downe such executed financing statements, assignments and other documentation as shall be required to perfect the security interest herein granted;

all of the foregoing being collectively referred to as the "Collateral Security."

4/40

3.2 Enforcement of Security Interests. Downe shall have, with respect to the Collateral Security, all of the rights of a secured party under the New York Uniform Commercial Code. The parties agree that ten (10) days' notice of any exercise of any rights by the secured party under the New York Uniform Commercial Code or otherwise is commercially reasonable. The parties acknowledge that the Federal securities laws may prevent the public offer or sale of that part of the Collateral Security which is composed of "securities" and accordingly agree that it shall be commercially reasonable to sell such portion privately to one or to a limited number of purchasers although the same may result in a lesser purchase price than could have been realized by a sale in some other manner. In the event of a default hereunder, Downe shall be entitled to exercise all rights with respect to the Collateral Security as if and to the same extent as the owner thereof. Rhapsody and Jurgensen hereby agree to sign and have filed all financing statements and other instruments at any time necessary to perfect the security interests in the Collateral Security, upon the request of Downe. Upon their failure to do so after reasonable request by Downe, the officers

5/40

of Downe are authorized to sign the same on behalf of Rhapsody and/or Jurgensen.

SECTION 4
CERTAIN ASSETS AND LIABILITIES
OF JURGENSEN

On or before the date of this Agreement:

(a) Jurgensen has assigned to Downe or its designee all of its cash, bank accounts and other cash items.

(b) Jurgensen has assigned to Downe or its designee all of the trade accounts receivable, including but not limited to those set forth on Schedule 4(b), and other receivables of every description, of Jurgensen outstanding on or before the date of this Agreement.

(c) Jurgensen has assigned to Downe or its designee all of its right and title to, and interest in, its collection of antique watches and all documentation and memorabilia in connection therewith *except as set forth on Schedule 4(c).* 6/40

(d) Jurgensen has assigned to Downe or its designee all of Jurgensen's furniture and fixtures, except for the items used in

connection with watch repairs set forth on Schedule 4(d) hereto.

(e) Jurgensen has assigned to Downe or its designee all of its rights under a certain agreement dated the 18th day of December, 1972 by and among Jurgensen, its former subsidiary Vulcain Watch Co. of North America, Inc. (name changed to Downe Watch Co., Inc.), Edmart Watch Co., Inc. (name changed to Vulcain Watch Co. of North America, Inc.) and Victor Huff, together with all of its right and title to and interest therein and to the promissory notes thereunder and the collateral security for said promissory notes.

(f) Downe has released Jurgensen from any and all obligations to Downe and Downe's other subsidiaries, and Jurgensen has similarly released Downe and such other subsidiaries; not including in either case, however, the obligations of Downe and Jurgensen under this Agreement.

(g) Downe has caused Jurgensen to be released from a certain guarantee agreement relating to the obligations of Downe to First

7/40

and First National City Bank
National Bank of Chicago under a credit
agreement dated May 15, 1974.

(h) With the exception (i) of any and all warranty liabilities and (ii) the purchase commitments set forth on Schedule 4(h), which Downe is expressly not assuming, Downe has assumed all of the other liabilities of Jurgensen outstanding on the date of this Agreement, including the other purchase commitments of Jurgensen and the rights and obligations under a lease to which Jurgensen is a party for its premises at 352 Park Avenue South, New York, New York, and has agreed to satisfy the Liabilities in accordance with the terms thereof (the "Liabilities"). Rhapsody and Jurgensen agree to use their best efforts to induce the suppliers under the purchase commitments being assumed by Downe pursuant hereto to release Downe therefrom without expense to Downe.

(i) Jurgensen has assigned and delivered to Downe all of the inventory of Jurgensen on the date hereof (the "Assigned Inventory"), which however does not include the inventory of Jurgensen set forth on Schedule 4(i) hereto (the "Retained Inventory"). The Retained Inventory has been selected by Rhapsody and the

aggregate cost thereof to Jurgensen as per Jurgensen's original cost worksheets does not exceed \$375,000. Downe agrees to deliver the portion of the Retained Inventory located in New York City to Jurgensen F.O.B. 712 Chestnut Street, Philadelphia, Pennsylvania. The balance of the Retained Inventory, which is located in Switzerland, shall not be further delivered by Downe, but Downe shall reimburse Rhapsody and Jurgensen for the costs incurred by them for duty and freight in having the same delivered to 712 Chestnut Street, Philadelphia, Pennsylvania, which reimbursement shall be made upon receipt by Downe of paid bills on other suitable evidence of expenditures for such items. Jurgensen and Rhapsody agree to provide Downe with any and all documentation reasonably requested by Downe to enable Downe to take possession of any and all of the Assigned Inventory which is not in the physical possession of Downe on the date hereof.

9/40

(j) Jurgensen has assigned to Downe or its designee all of its interest in any and

all sums due and payable to Jurgensen (i) by the United States of America as a repayment of previously collected import duties, and (ii) by any and all governmental authorities as a repayment of previously collected taxes.

(k) Jurgensen has assigned to Downe or its designee all of its right and title to, and interest in, the registered trademark Optcom I [®].

SECTION 5

DISPOSITION OF INVENTORY BY DOWNE

5.1 Sale of Assigned Inventory. From and after the date hereof, Downe shall hold the Assigned Inventory for disposition in accordance with the following provisions. Downe may sell some or all of the Assigned Inventory from time to time to one or more purchasers on such terms as are satisfactory to it, all in its sole discretion, provided, however, that Downe shall give prior written notice to Rhapsody specifying any of the Assigned Inventory which Downe desires to sell, and Rhapsody shall have the right for five days following such notice to purchase such of the Assigned Inventory as is described in the notice for a sum equal to the cost of such inventory to Jurgensen as per Jurgensen's original cost worksheets, said purchase price to be payable

10/40

to Downe in cash during said five day period but not thereafter.

5.2 Returned Inventory. If any merchandise is returned to Jurgensen, the sale of which gave rise to an Account Receivable, as such term is defined in Section 6.1 hereof, and the return of which is made in accordance with the inventory balancing policy of Jurgensen in effect at the time of the sale thereof (returns meeting all of the foregoing requirements being hereinafter referred to as "Returned Inventory") the Returned Inventory shall be Downe's property and shall be promptly delivered to a location designated by Downe. Downe may sell some or all of the Returned Inventory from time to time to one or more purchasers on such terms as are satisfactory to it, all in its sole discretion. Notwithstanding the foregoing provisions of this subsection 5.2, Rhapsody shall have the right, for five days following its initial receipt of any Returned Inventory, to purchase some or all of the same by giving notice to Downe of the items it will purchase, the purchase price of which shall be a sum equal to 80% of the cost of such items to Jurgensen as per Jurgensen's original cost worksheets, the purchase price to be payable to Downe in cash during said five day period but not thereafter. Downe shall retain its ownership of all Returned Inventory unless and until the same is paid for in accordance with the provisions of the preceding sentence.

11/40

5.3 Thirty Day Option. Rhapsody shall have the option to purchase any of the Assigned Inventory or Returned Inventory on hand at June 30, 1975 from Downe at a purchase price of 50% of the cost of such Assigned Inventory or Returned Inventory to Jurgensen as per Jurgensen's original cost worksheets. This option, which may be exercised on one occasion only, shall be exercised by notice from Rhapsody to Downe given on or after July 1, 1975 and on or before July 30, 1975. Said notice shall specify those items of Assigned Inventory or Returned Inventory which Rhapsody desires to purchase and shall be accompanied by payment therefor in cash.

5.4 Use of Name Jules Jurgensen. Anything in this Agreement to the contrary notwithstanding, Downe shall be entitled to use the name Jules Jurgensen ^(R) as if it was the owner thereof for the following purposes, but for no other purpose whatsoever:

12/40

(i) In connection with the collection of the Accounts Receivable;

(ii) In connection with the advertisement and sale of the Assigned Inventory, up to June 30, 1975;

(iii) In connection with the advertisement and sale of any of the Returned Inventory, up to June 30, 1975; provided, however, that said name may be used for the

advertisement and sale of any Returned Inventory for a period of up to 120 days following the receipt thereof by Downe, although said 120 day period ends after June 30, 1975;

(iii) In connection with the advertisement and sale of the antique watch collection referred to in Section 4 hereof, without limitation of the time of such use.

(iv) In connection with the advertisement and sale of any merchandise purchased by Downe pursuant to any purchase commitments assumed by Downe pursuant to subsection 4(h) hereof, up to June 30, 1975; provided, however, that said name may be used for the advertisement and sale of any of such merchandise for a period of up to 180 days following the receipt thereof by Downe, although said 180 day period ends after June 30, 1975. 13/40

5.5 Other Returns. In the event that an account debtor for any portion of the Accounts Receivable, as defined in subsection 6.1 hereof, desires to return any merchandise to Jurgensen the sale of which gave rise to a portion of the Accounts Receivable, and which return is not in accordance with the inventory balancing policy in effect at the time of sale of such merchandise, then Jurgensen may discuss with Downe the basis on which such merchandise may be returned, but if, in the absence of Downe's written agreement concerning the same, Jurgensen accepts the return of such merchandise

Jurgensen shall, no later than two days following such return, pay to Downe in cash a sum equal to the portion of the Accounts Receivable to which such returned merchandise relates.

SECTION 6

COLLECTION OF ACCOUNTS RECEIVABLE

6.1 Accounts Receivable. As set forth in Section 4(b) hereof, Jurgensen has assigned to Downe or its designee all of its trade accounts receivable created on or before the date hereof, which are hereinafter collectively referred to as the "Accounts Receivable." An Account Receivable is deemed created on the date on which the inventory which has been sold is delivered by Jurgensen to a carrier for delivery. It is of paramount importance that the Accounts Receivable be collected and paid to Downe or its designee as completely as possible. It is the intent of the parties to this Agreement that these payments shall be made as promptly as possible and under no circumstances shall Rhapsody or Jurgensen encourage the payment by any customer of its obligations accruing hereafter to Rhapsody or Jurgensen in lieu of the payment of its prior obligations represented by any portion of the Accounts Receivable. 14/40

6.2 Collection of Accounts Receivable. Rhapsody and Jurgensen hereby agree to supply to Downe copies of any and all records of Accounts Receivable in the possession

of such companies. Furthermore, Jurgensen shall, from and after the date hereof, clearly indicate on the records of its customers the date of this Agreement in order that all balances due and owing as of the date hereof shall be clearly shown. Rhapsody and Jurgensen hereby agree to use their best efforts to assist Downe in the collection of the Accounts Receivable for a period of one year from the date hereof, including such actions as Rhapsody or Jurgensen customarily take in the collection of their accounts receivable. Rhapsody and Jurgensen further agree that Downe, at Downe's expense, may have one or more employees of Downe assigned to the premises of Rhapsody and Jurgensen for a period of one year from the date hereof, which persons shall be permitted access to all information and activities with respect to the collection of the Accounts Receivable during customary business hours, including the receipt of monies from the customers of Jurgensen. The representatives of Downe, with the reasonable concurrence of Rhapsody and Jurgensen, shall be entitled to contact account debtors and/or authorize outside collection efforts at Downe's expense; provided, however, that no account debtor shall be sued by Downe unless and until the Account Receivable due from such account debtor shall be delinquent for a period of at least 30 days. Rhapsody and Jurgensen shall perform their duties hereunder without expense to Downe, except that Downe shall reimburse them for any expenses incurred by them for the following services, if requested by Downe: computer printouts, legal and collection agency services, and visits to account debtors. 15/40

6.3 Payment of Accounts Receivable. Any monies received by Rhapsody or Jurgensen from an account debtor of any Account Receivable, whether designated as payment of all or part of said Account Receivable or in payment of another obligation, shall be promptly remitted to Downe by depositing the same on a daily basis in a Philadelphia, Pennsylvania bank account designated by Downe. Rhapsody shall provide Downe with a monthly report of collections of Accounts Receivable, within ten days after each calendar month. If any monies payable to Downe or its designee in accordance with the foregoing provisions are accompanied by a writing of the account debtor stating that the account debtor disputes part or all of said Account Receivable, then and in that event, Downe shall hold such monies in a separate escrow account pending a resolution of said dispute.

SECTION 6A

WARRANTY LIABILITIES

Downe shall make available to Rhapsody and Jurgensen the sum of \$60,000 (the "Credit") in consideration of Jurgensen's performance of its warranty liabilities. The Credit may be used by Rhapsody, in whole or in part, in satisfaction of any sums which may be due and payable by Rhapsody to Downe pursuant to subsections 5.1 or 5.2 hereof, and any portion of the Credit not so used by Rhapsody on or before February 25, 1975 shall be payable in cash by Downe to Rhapsody on such date.

SECTION 7

Downe hereby represents and warrants as follows:

There are no options, calls or commitments of any kind relating to the capital stock of Jurgensen. Before Simms, Hohein and Hairston, Administrative Trademark
Judges.

Opinion by Hohein, Administrative Trademark Judge:

Jules Jurgensen/Rhapsody, Inc. has petitioned to cancel
the registration of the mark "URBAN" for "mechanical watches with
manual or automatic winding, electrical and electronic watches,
watch parts, movements, and dials; watch cases, diving watches,

[and] chronometers".¹ As the basis for cancellation, petitioner alleges that it is the owner of the mark "URBAN JURGENSEN" for wrist watches, having commenced use thereof in interstate commerce since at least as early as May 7, 1991; that petitioner, on December 13, 1991, filed its pending application, Ser. No. 74/230,739 to register such mark for wrist watches; that its application presently stands refused in view of the existence of the registration it seeks to cancel; and that "the registered trademark 'Urban' has been abandoned within the meaning of 15 USC 1064(3)" inasmuch as "[i]nquiry has indicated that registrant is not and has not been using the trademark 'Urban' in the United States for at least a period of time sufficient to constitute abandonment."

Peter Baumberger, who by certain assignments claims to be the present owner of the involved registration and accordingly was joined as the respondent in this proceeding pursuant to Fed. R. Civ. P. 19(a), has filed an answer denying the allegations of the petition for cancellation.²

The record consists of the pleadings; the file of the involved registration; and, as petitioner's case-in-chief, the testimony, with an exhibit, of the president of Regal Industries,

¹ Reg. No. 965,536, issued on August 7, 1973, based upon Swiss Reg. No. 255,118, dated September 22, 1971; renewed.

² Although the answer also alleges, as "AFFIRMATIVE DEFENSES," that "the Petition for Cancellation is barred by the doctrines of estoppel, waiver, laches and acquiescence," these defenses were not properly pleaded, in that the factual grounds therefor were not set forth, nor did respondent offer any evidence with respect thereto at trial. Accordingly, such defenses will not be given further consideration.

David Popowich, and the testimony, with exhibits, of petitioner's president and chief executive officer, Morton Clayman. No testimony or other evidence was submitted by respondent, and only petitioner filed a brief. An oral hearing was not requested.

The issues to be determined are whether petitioner has proven its standing to bring this proceeding and whether it has demonstrated that the registered mark has been abandoned.

According to the testimony of the president of Regal Industries, David Popowich, such firm is a manufacturer and importer of watch bands. Regal Industries supplies watch bands to watch companies, watch importers and watch retailers. Except as a vendor, Regal Industries has no relationship with petitioner. Regal Industries' customer relationships as a vendor of watch bands extend to almost all companies in the watch business in the United States, including "[m]any" importers of watches into this country. (Popowich dep. at 7.)

Mr. Popowich, who claims that Regal Industries probably knows more about watch bands and the watch band industry, as it relates to watches and the resale of watch bands, than anyone else in the United States, testified that he is familiar with the watch industry in the United States; that he attends conventions pertaining to the watch industry; that he "very closely" follows the watch industry trade literature (id. at 8); that he is familiar with advertising done in the United States for watches; and that he routinely looks at watch catalogs. Based upon his careful attention to the foregoing sources of information for at least 30 years and the fact that his company is a major supplier

3/10

of watch bands in the United States, Mr. Popowich further testified as follows:

Q. Have you ever seen a watch in the United States with the trademark Urban on it?

A. No.

Q. Let me ask it in even more detail. Have you ever seen a watch with the trademark Urban on it at a convention?

A. Never.

Q. Has anybody ever approached you for a business relationship regarding such a watch?

A. Never.

Q. Have you ever seen an advertisement for a watch with the trademark Urban on it?

A. Never.

Q. Or a catalogue entry?

A. Never.

(Id. at 9-10.)

In addition, while Mr. Popowich conceded that an "URBAN" brand watch could also be for sale in the jewelry department of discount stores, he noted that he frequents such stores "on a regular basis just to see what is happening with watches and watch bands in these stores" and that, as is the case with his knowledge of brands brought into the United States by watch importers, he has never encountered a watch with the mark "URBAN" on it. (Id. at 10.) Moreover, Mr. Popowich insisted, in this regard, that "[i]f it was brought in in any significant numbers, yes, I think I would have known about it." (Id. at 11.)

4/10

By contrast, Mr. Popowich stated that he has heard of sales of petitioner's "URBAN JURGENSEN" watches and, in fact, knows that petitioner is the source thereof.

Petitioner's president and chief executive officer, Morton Clayman, indicated that petitioner has made continuous and increasing sales of its "URBAN JURGENSEN" watches in interstate commerce since May 1991.³ According to Mr. Clayman, he has been in the watch business since 1957 and has been actively involved in the American watch business for approximately 30 years. Mr. Clayman purchased petitioner in 1974. Petitioner offers and advertises its watches, including those sold under the "URBAN JURGENSEN" mark, through its catalogs, which it distributes to jewelry retailers, including such major mass merchandisers as Montgomery Ward, K Mart, Service Merchandise, Best Products and J. C. Penney. Petitioner also publishes and distributes to its customers a booklet entitled "The Jules Jurgensen Story," which explains, among other things, that the brothers Urban and Jules Jurgensen were 18th century Danish watchmakers whose names are used by petitioner as marks for two of its lines of watches. S/10

Like Mr. Popowich, Mr. Clayton is familiar with the watch industry in the United States; he attends conventions relating to the watch trade in the United States, Hong Kong and Switzerland and has done so for 25 to 30 years; and he is familiar with trade literature, catalogs and other material

³ Invoices documenting representative sales of petitioner's "URBAN JURGENSEN" watches in 1993 and 1994 were also introduced.

produced by those who sell watches. Yet, despite the knowledge and experience gained as the result of at least 30-years of active involvement in the watch business, Mr. Clayton stated that he has never seen a watch in the United States with the name "URBAN" used thereon as a mark. Specifically, Mr. Clayton testified that:

Q. In all of those years of your active participation in the watch business and your involvement in it, have you ever seen, in the United States, a watch with the name Urban on it as a trademark?

A. Absolutely not.

Q. Have you ever seen any printed or written material or advertisement material or a catalogue in the United States showing a watch with the trademark Urban on it?

A. No.

Q. Have you ever seen what I will call an Urban watch or an Urban advertisement anywhere in the world in any language at any time?

A. Absolutely not. I've been in Switzerland and Hong Kong, all of the shows. I've gone around to all of the shows. I've talked to people. I know everybody in the industry. They know me, and I have never heard of an Urban watch.

Q. You talk to people in the industry, you say?

A. Yes.

Q. You chat with them and discuss business with them?

A. Yes.

6/10

Q. Is it fair to say that if there had been a watch with the brand or trademark Urban on it that was sold or on sale or being promoted in the United States in any significant way, you would have been aware of it?

A. Absolutely.

Q. But even in a non-significant way, you never saw or heard of one?

A. Never saw one.

Mr. Clayton also indicated that he asked petitioner's counsel to file an application for federal registration of petitioner's "URBAN JURGENSEN" mark for watches. However, in view of respondent's involved registration, Mr. Clayton was advised by petitioner's counsel that petitioner's application to register its mark was being held up.

Turning, therefore, to the issues herein, Mr. Clayton's testimony is sufficient to demonstrate that petitioner has a real commercial interest in this proceeding and thus has standing to seek cancellation of respondent's involved registration. In particular, petitioner's proof, through the testimony of Mr. Clayton, that it has filed an application for federal registration of its "URBAN JURGENSEN" mark for watches which has been refused registration in light of the existence of respondent's registration for the mark "URBAN" for watches and their components establishes petitioner's standing herein. See Lipton Industries, Inc. v. Ralston Purina Co., 670 F.2d 1024, 213 USPQ 185, 189 (CCPA 1982).

With respect to the issue of whether the registered mark has been abandoned, Section 45 of the Trademark Act

provides, in relevant part, that "[a] mark shall be deemed to be 'abandoned' when ... the following occurs:"⁴

(1) When its use has been discontinued with intent not to resume such use. Intent not to resume use may be inferred from circumstances. Nonuse for two consecutive years shall be prima facie evidence of abandonment. "Use" of a mark means the bona fide use of that mark made in the ordinary course of trade and not made merely to reserve a right in a mark.

It is settled that "[a]bandonment, being in the nature of a forfeiture, must be strictly proved." *Wallpaper Manufacturers, Ltd. v. Crown Wallcovering Corp.*, 680 F.2d 755, 214 USPQ 327, 332 (CCPA 1982). Moreover, it is petitioner who bears the ultimate burden of proof of abandonment by a preponderance of the evidence. See *Cerveceria Centroamericana S.A. v. Cerveceria India Inc.*, 892 F.2d 1021, 13 USPQ2d 1307, 1309 (Fed. Cir. 1989). Thus, for instance, it is petitioner who bears the burden of establishing a prima facie case of abandonment on the basis of nonuse of the "URBAN" mark by respondent for a period of at least two consecutive years and, only upon such a showing, does the burden of persuasion shift to respondent to come forward with evidence to disprove the presumption of abandonment. Id. at 1312. 8/10

⁴ While we note that, as of January 1, 1996, Section 45 of the Trademark Act was amended to provide that a period of three consecutive years of nonuse, instead of a two-year period, constitutes prima facie abandonment, we have applied the two-year standard, since these proceedings were commenced on May 7, 1993, so as not to give retroactive effect to the statutory amendment. See *Clairol Inc. v. Compagnie D'Editions et de Propagande du Journal La Vie Claire-Cevic*, 24 USPQ2d 1224, 1226 (TTAB 1992).

In the present case, we find that petitioner has satisfied its burden of proof. The testimony presented by petitioner of two individuals, each of whom has 30 years of knowledge and experience in the watch and related watch band industries, respectively, that at all times relevant herein, neither has ever encountered a watch or trade literature in the United States which bears the mark "URBAN" is sufficient to establish a prima facie case of abandonment of such mark, through a showing of at least two consecutive years of nonuse, and to shift to respondent the burden of coming forward with evidence to disprove the statutory presumption of abandonment. Respondent, however, offered nothing to explain or refute the observations by two knowledgeable and experienced individuals who have long been familiar with, respectively, all aspects of the watch and watch band industries in this country and who have never seen or heard of any use of the mark "URBAN" for watches.
